AKΛ Centennial Less Than One Year Away

Jeremy Slivinski, Beta Nu ‘96 (VA Commonwealth) Executive Director

Alpha Kappa Lambda is unique in that its members have the opportunity to celebrate its Centennial milestone...twice! In 2007 members celebrated the 100th anniversary of the founding of the Los Amigos, the predecessor organization from which AKΛ was formed. In 2014 the institution will celebrate the official formation of the Alpha Kappa Lambda Fraternity.

The historic event will commemorate what began on April 22, 1914, when members and guests of the Los Amigos gathered at the Shattuck Hotel and 66 men signed a charter establishing the Alpha Chapter of Alpha Kappa Lambda at the University of California. Since that fateful day, thousands of men on more than 100 college campuses have joined AKΛ.

In April 2014, AKΛ’s Centennial Celebration will officially kick-off where it all started – at the Hotel Shattuck. The name has changed, and the building has been renovated, but the location remains the same. On Friday April 25, 2014, the National Fraternity will host a banquet in the same room where AKΛ’s founders signed the first charter. Additional events will be held throughout the weekend in the Bay area.

For alumni who cannot make it to Berkeley, there will be opportunities to attend more than a dozen regional events planned throughout the spring and summer around the country. Planning for these events is underway, and the National Headquarters still needs local volunteers to help make them a success. Alumni who would like to volunteer to help or coordinate an event should contact Cody Pritchard at cody@akl.org or 317-564-8003.

Centennial celebrations will conclude at the National Conclave held July 30 - August 1, 2014, in Indianapolis, Indiana. The program will include multiple alumni receptions, a ritual featuring 100 initiates to honor 100 years and tours of the new National Headquarters building.

“This is going to be a great opportunity to come together as a brotherhood and celebrate what it means to be a member of Alpha Kappa Lambda,” explained National President Bryant Gatrell, Gamma Alpha ’91 (Missouri). “We hope to see you at one of AKΛ’s many Centennial events! Details will be available at www.akl.org as it comes together – just click on the Gold Centennial Coin on the home page!”

I marvel at how quickly my first year has gone as National President of Alpha Kappa Lambda. So much has been accomplished by our chapters with the help of our National Headquarters Staff, National Executive Council and Foundation.

At the Norfolk Conclave, we set forth a plan to strengthen our Fraternity through smart growth and expansion. The cornerstone of this plan hinged on growing our current chapters, establishing “anchor chapters” at large college campuses and re-establishing chapters that are currently dormant.

As you’ll read in more detail in this newsletter, results have been fantastic and the Fraternity is thriving. In light of this growth plan, we have expanded our Headquarters staff to eight members to ensure that every chapter receives an average of 14 days of face-time with their Chapter Services Consultant.

To support staff efforts, we have developed three new strategic volunteer sub-committees of the NEC:

- **Volunteer Development Committee** – tasked with supporting chapter advisors and Corporation Boards, and made up of experienced chapter advisors and corporation board presidents.
- **Membership Education Committee** – tasked with reviewing and updating undergraduate membership education and leadership development with a focus on creating programs that prepare our members for a competitive job market.
- **Alumni Connections Committee** – tasked with expanding our alumni chapters and supporting regional alumni events.

I hope that by engaging more brothers in this type of committee work, we will better serve all undergraduate and alumni brothers. If you are interested in joining a committee, please contact the National Headquarters.

As AKL’s Centennial approaches, we have much to be proud of and much to look forward to. However, in the words of Robert Frost, we have “miles to go before we sleep.” I hope that all brothers will use this special time in our history to renew their connection to AKL and their fellow brothers, and remember that membership in our Fraternity is an affiliation that is binding for life.

**GreekLifeEdu Changes Behaviors**

For nearly ten years, new members of Alpha Kappa Lambda have engaged in the online learning tool, GreekLifeEdu. GreekLifeEdu (GLE) is designed to educate fraternity members about high risk behaviors often associated with college students and fraternal organizations. The program is used by numerous fraternity and sorority headquarters and a campus-based version, AlcoholEdu, is utilized by campuses across the country.

Part one of GLE consists of three modules covering alcohol abuse and misuse, hazing and sexual assault. Members begin by completing an initial survey and pre-test and conclude by completing a second survey and exam to test knowledge gained. Part two of GLE is completed 30 days later and consists of a brief overview of the first three modules and a final survey evaluating behavioral change. New members are expected to complete the program during their new member period.

“GreekLifeEdu plays an integral part in Alpha Kappa Lambda’s overall Risk Management Program,” explained Membership Education Chairman Guy Davis, Beta Nu ’84 (VA Commonwealth). “The Fraternity believes that our members’ experiences should be fun and educational, but more importantly, safe. Educating our students on high risk behaviors and general safety has made Alpha Kappa Lambda one of the safer extra-curricular college experiences in the country.”

GreekLifeEdu implementation is made possible by a generous grant from the AKL Education Foundation.
Record Membership Growth in 2012-2013

Jeremy Slivinski, Beta Nu ’96 (VA Commonwealth)
Executive Director

Alpha Kappa Lambda finished the 2012-2013 school year in one of the strongest membership positions in its history. Over 692 new members signed their bid to join AKL last year, tying a record set over 20 years ago. Each chapter recruited an average of 18 new men (two above the national average of other NIC institutions), and the Fraternity’s average chapter size is up to 47 men (five above the NIC national average). On many of the campuses AKL operates on, it is the largest fraternity on campus.

Alpha Kappa Lambda is not just adding new members to current chapters, we are adding new chapters to college campuses around the county. This year AKL grew from 31 to 38 chapters by re-establishing Kansas State (Iota), New Mexico State (Alpha Alpha) and Missouri (Gamma Alpha). New colonies were added at Dalton State, Penn State-Abington, Southern Arkansas and Valdosta State.

At the 2013-2014 school year begins, six chapters are involved in “Chapter Recruitment Coaching,” a pilot program initiated by AKL that includes Recruitment Boot Camp Training lead by industry experts and ongoing expert recruitment coaching. Chapters are paying for this program up front with the opportunity to be reimbursed by the National Fraternity upon completion and confirmed results.

Over 30 chapter and colony presidents attended the 2013 Clark-Thompson Presidents’ Academy January 4-6, 2013, in Carmel, Indiana. Those in attendance took part in training and leadership development and were able to interact with the National Headquarters staff. The event is paid for by a generous grant from the AKA Education Foundation and its donors.

Lambda Chapter President Andrew Potter, Lambda ’12 (Emporia State) stated, “I liked the ability to talk to all the other presidents to find as much information about what works so well for them. Even though some of the chapters were huge in comparison to our 37 members, I can still use a lot of the advice and tips they have to offer.”

This year, the curriculum had an increased focus on scholarship as well as proper social media usage, OmegaFi chapter financial management training and crisis management. Each president also had the opportunity to meet one on one with their respective chapter consultant.

Beta Psi Chapter President Austin Melott, Beta Psi ’11 (Missouri State) noted, “It was a fun and educational weekend. After leaving the conference, I felt 100% more prepared for the job ahead of me.”

- 692 New Members in 2012-2013
- 18 Average New Member Class Per Chapter
- 47 Average Chapter Size
- 38 Chapters & Colonies

“Right now, AKA is poised to hit its expansion goal of 40 active chapters by the end of Spring 2014,” said Chapter Recruitment Consultant David Dooley, Gamma Beta ’09 (Alabama). “With good fortune and hard work, AKA plans to continue to set records this academic year.”
Foundation Takes Steps Toward the Future
Bill West, Iota ’70 (Kansas State)
Alpha Kappa Lambda Education Foundation President

The Alpha Kappa Lambda Education Foundation is active in the process of renewing alumni connections and generating support for the educational priorities of the Fraternity - priorities such as scholarships, leadership training and chapter-based educational resources. As President of the Foundation Board of Directors, this is my top priority.

The Foundation is proud to have taken a leadership role in securing the new National Headquarters, and to generate resources needed to host the Clark-Thompson President’s Academy each year. Still, more can be done if we had additional resources. We have ambition to grow the support the Foundation provides for members to participate in various educational opportunities and to award more scholarships, reward excellence and attract top notch recruits.

To better serve our student and alumni constituents, the Foundation is in the process of updating its policies and procedures. The results we believe will increase AKL’s fundraising potential and better recognize the important individuals who advance our institution each year.

We are assisted in this process by OmegaFi, a nationally renowned Greek-focused firm with experience optimizing the efficiencies of fraternity and sorority foundations. Also, the Foundation has hired its first staff member, Kirby Neumann, to serve as Director of Development. Kirby will work with the Foundation and OmegaFi to oversee all Foundation operations and fundraising activities.

The Foundation has made progress in recent years, and it would not have been possible without the generosity of those who donate each year to AKL. Thank you. If you have any questions about the AKL Education Foundation, or how you can help, please contact Kirby Neumann at kirby@foundation.akl.org. Your leadership counts!

AKΛ Opens New National Headquarters
Jeremy Slivinski, Beta Nu ’96 (VA Commonwealth)
Executive Director

For nearly 30 years Alpha Kappa Lambda had been leasing space to operate around Indianapolis, Indiana. A few years ago, the Fraternity took a big step and moved five miles north to Carmel, Indiana, into new office space acquired by the Alpha Kappa Lambda Education Foundation. The Fraternity now leases the property from the Foundation providing revenue the Foundation can use for scholarships, grants and other educational purposes.

The new 2,200 square foot office provides enough space for eight full-time staff members. The reception area displays important memorabilia including a frosted glass window etched with images of the Founders. A glass display case houses various jewelry items, awards and valuables from AKL’s past.

The board room sets a reverent tone for the building and features portraits of past national presidents along the wall. The building also includes executive offices and a print shop where “the Truth and the Word” is produced.

The National Headquarters has an open door policy for all brothers who wish to visit and tour the building while in the area. To schedule a visit, contact the office at 317-564-8003.
Congratulations to the 2012-2013 Andrews’ Scholar Award Recipients

"Andrews’ Scholars" is the Honor Roll for brothers of Alpha Kappa Lambda. In order to be recognized as an Andrews’ Scholar, chapter members must earn a 3.5 or higher grade point average and must be registered as full-time students. The following Andrews Scholars show tremendous dedication toward AKA’s third ideal – Scholarship.

Congratulations to Executive Director Jeremy Slivinski, Beta Nu ’96 (VA Commonwealth).

Brother Slivinski was recently surprised by his Alma Mater Virginia Commonwealth University with a special recognition. Brother Slivinski traveled back to campus this fall to provide the keynote address for the Fall Greek Convocation. After his keynote to the Fraternity and Sorority Community it was announced that the Outstanding IFC Chapter of the year award would be named the “Jeremy Slivinski Outstanding IFC Chapter of the Year Award.” The Fraternity and Sorority Community provided this honor due to Brother Slivinski’s undergraduate and continued alumni involvement with his chapter and the VCU community as well as his overall continued involvement in the Interfraternal world. Brother Slivinski shared the following, “It was a surprise, an honor and something I am very humbled by. I just do what I believe I committed to do as a member of AKA. There are dozens of people that have supported me over the years and this recognition should reflect their mentorship and contributions too. Thank you to VCU and the Fraternity and Sorority Community.”

Around ΑΚΛ

ALPHA (CALIFORNIA)

Alpha Chapter is in the process of recolonizing. Tom Healy from Recruitment Boot Camp is on the ground at UC Berkeley with staff members to recruit a core group of elite men. As our Centennial approaches, the Alpha Chapter hopes to be re-established by Summer 2014.

GAMMA (ILLINOIS)

This past year, Gamma held a pasta dinner for ΑΚΛ’s national philanthropy, These Hands Don’t Hurt. In addition Gamma brothers participated in two blood drives and raised over $1,400 in support of Cystic Fibrosis research.

Gamma has hired a professional property management company to maintain the high quality of the house. This fall, Gamma’s house occupancy will exceed 75%, surpassing the university fraternity average. Gamma plans to be over 110 members strong by the end of this school year.

DELTA (KANSAS)

In 2012-2013 Delta Chapter received awards in every category at the University of Kansas’ annual Greek Awards Ceremony. These awards included recognition in New Member Development and Education, Risk Management and Legal Liability, Academic Performance, Community Awareness, Chapter Management and Leadership and Campus Engagement. The chapter also played in the Greek League Championship game for intramural basketball.

Delta also launched the inaugural Ethos Week, a six-day philanthropic project featuring a different event each day to benefit multiple organizations throughout the community. Over $1,000 was raised to benefit Cystic Fibrosis and the local Willow Domestic Violence Center. 100 pounds of canned food and seven bags of clothing were also collected and donated to the Lawrence Community Center.

Academically, Delta has implemented an individual tutor program to ensure that brothers reach their full potential. Membership and recruitment is at an all-time high. The active membership now sits at more than ten times the colonization...
The Alpha Kappa Lambda Education Foundation is always working to find ways to better benefit the Fraternity's students and alumni. To that effect, a restricted fund has been established for every chartered Alpha Kappa Lambda Chapter. Alumni can now directly impact their chapter by making a gift to the Foundation and designating it to their restricted fund. Donated funds can be used to award chapter scholarships or fund various other educational opportunities. To make a difference today, visit www.givetoakl.org and choose your chapter in the “designate my gift” menu. You can also learn more by contacting Director of Development, Kirby Neumann at 317-721-2042 or kirby@foundation.akl.org.

**GAMMA ALPHA (MISSOURI)**

Gamma Alpha grew membership from 16 to 35 attracting new members with a broad range of majors and disciplines. More than $1,000 was raised for These Hands Don’t Hurt. The chapter is actively seeking help from alumni and will be holding a networking get-together early in the fall. They produce a monthly newsletter for members and alumni.

**GAMMA BETA (ALABAMA)**

**UPSILON (NORTHERN COLORADO)**

Upsilon raised more than $1,000 for These Hands Don’t Hurt. The chapter also had one of the most successful recruitment years in recent history.

**PSI (IOWA STATE)**

Psi Chapter’s 16 members are involved in a total of 22 different clubs and organizations. This year for These Hands Don’t Hurt, the men worked with the Margaret Sloss Women’s Center on campus. They also participated in Take Back the Night by marching through Greek Land to raise awareness for sexual assault on college campuses. Over the summer, Psi completed a quarter million dollar renovation to the chapter facility that included the installation of a sprinkler system, new doors and new driveways.

**ALPHA ALPHA (NEW MEXICO STATE)**

The brothers of Alpha Alpha are devoting their effort to fall recruitment. They also paired up with Zeta Tau Alpha last year for the annual Race for the Cure to raise awareness for breast cancer.

**ALPHA ZETA (NORTHWEST MISSOURI)**

This year marks Alpha Zeta’s 50th anniversary. Several brothers were able to attend the UIIFI leadership training program. Also, Alpha Zeta recently completed renovations to its house including a new kitchen, patio, windows, siding, roofing and renovated bathrooms.

**ALPHA LAMBDA (NORTHERN ILLINOIS)**

This past year, Alpha Lambda won the Paddy Murphy softball tournament and the Campus Stroll competition. At the last Conclave, Alpha Lambda was recognized with the President’s Award for fixing their financial circumstances and clearing all of their debt.

**ALPHA RHO (TEXAS EL PASO)**

Alpha Rho won last year’s Greek Week. Events included a talent show, school spirit competition, and various athletics. The chapter also donated over 1,000 pounds of food to the West Texas Food Bank.

**BETA NU (VIRGINIA COMMONWEALTH)**

The chapter reached recruitment goals for both the Fall 2012 and Spring 2013 semesters and maintained good standing with VCU’s IFC. Six brothers were on the Dean’s List last semester. Beta Nu placed second in VCU’s Greek Games and placed first during Greek Week.

**SIGMA (CENTRAL MISSOURI)**

Sigma Colony raised $5,000 for various charitable purposes, including $1,400 for cystic fibrosis research and $2,500 for St. Baldrick’s. The colony recruited 22 new members who are excited to keep pushing for excellence. Sigma hopes to charter within the next school year.

**TAU (PENN STATE)**

During the spring semester, Tau Chapter recruited 10 pledges and met its goal of 15 new members for the year. In February, brothers began what has become a life-changing relationship with the Seth Wooldridge family, a local family touched by pediatric cancer. Tau raised nearly $12,000 for pediatric cancer research and patient care as a participant in the Penn State IFC/Panhellenic Dance Marathon. The chapter also “adopted” Dave and Elaine Schuckers, a local elderly couple. In addition, Tau held various philanthropy events at the chapter house for These Hands Don’t Hurt and hosted the 2013 AKA Northeast Regional Conference in August.

**ETA (WASHINGTON STATE)**

Eta Chapter exceeded its recruitment goal for the previous year. They also worked with Alpha Phi Chapter to clean up an adopted highway. Eta acquired their previous chapter house and will be officially recognized by the University during the upcoming semester.

**IOTA (KANSAS STATE)**

Iota Colony recruited and pledged 15 new members. All of them have taken an active role in growing the organization. The men had an enthusiastic showing for Greek Week, and worked with Alpha Chi Omega sorority to raise over $550 for a local women’s shelter through These Hands Don’t Hurt. The Iota Colony is looking forward to building on the successes of the past year.

**LAMBDA (EMPORIA STATE)**

Lambda Chapter received the IFC award for highest GPA (both Active Members and New Members awards) for Fall 2012. It was second highest on campus overall, placing behind first place by only a few hundredths of a point.

Lambda recently celebrated its five year re-chartering in April and is currently working on a new five year plan to increase its stability on campus. Philanthropically, Eta held its annual Date Auction for S.O.S. to raise awareness for the homeless. Brothers also volunteered at Laps for Landon, a local charity raising funds and awareness for Cystic Fibrosis.

Leave a Legacy with a Planned Gift

There are many ways to leave a legacy that will sustain Alpha Kappa Lambda that do not involve large, up-front, cash donations. Remembering AKL through a deferred/planned gift can offer many advantages to help you meet your overall financial goals while allowing you to leave your mark on the Fraternity.

If you have included, or would consider including, the AKA Education Foundation (or your chapter) in your estate plans, please contact Director of Development, Kirby Neumann at 317-721-2042 or kirby@foundation.aKL.org.

Job Board Available on myAKΛ

AKA has launched an online Job Board within myAKA. This helpful communication tool allows those with access to myAKA to add a resume via a LinkedIn account, post jobs, search for jobs, mark jobs and people as “favorites” and search for prospective employees based on details within those individuals’ LinkedIn resumes (industry, skills, location, etc). Users also have the ability to save specific criteria and receive notifications when new people or jobs appear in those saved searches.

“This tool provides a great networking opportunity for recent graduates looking for work and alumni seeking to hire brothers. I hope to see brothers taking advantage of this useful tool,” said Executive Director Jeremy Sliwinski, Beta Nu ’96 (VA Commonwealth).

To use this powerful networking tool, alumni must create their myAKA profile by visiting www.akl.org, and clicking on the “myAKA Sign In” button located in the top right hand corner of the screen. The Job Board is available in the Communications menu within myAKA.

Around AKΛ continued from page 7

restructured the entire recruitment system to align with the model they learned through the Recruitment Boot Camp program. In December, Gamma Beta hosted an event for St. Baldrick’s and broke its previous record of community service by logging 1,500 hours.

GAMMA DELTA (MONTEVALLO)

Last year Gamma Delta won Greek Week and received the Campus Involvement Award. Two of its members were inducted into the Order of Omega. One brother was named Mr. Montevallo, and another was selected as the leader of College Night Gold Side. The chapter also competed in and won several philanthropy events, including Delta Gamma’s Eggstravaganza and Alpha Delta Pi’s Amazing Race.

GAMMA LAMBDA (TEMPLE)

Gamma Lambda once again won the IFC Chapter of the Year award. In addition to raising money for AKΑ’s national philanthropies, Gamma Lambda held events to raise money for the Children’s Hospital of Philadelphia and the Philadelphia Police Survivor’s Fund. Gamma Lambda also collaborated with other Greek organizations on campus for the annual Pay-it-Forward Week to host block cleanups, clothing drives and other activities to help improve the North Philadelphia area. Overall, brothers donated 1,185 community service hours. Brothers currently hold the President and Vice President positions on Temple’s IFC.

GAMMA THETA (BOISE STATE)

The Gamma Theta Chapter at Boise State has superseded its national and local recruitment goals for the first time in years. In addition to maintaining good standing with the university and National Headquarters, the chapter currently holds the title of oldest established fraternity on campus. Through These Hands Don’t Hurt, Gamma Theta raised funds for Boise’s Women and Children’s Alliance.

GAMMA XI (CLAYTON STATE)

Gamma Xi has the largest and most diverse chapter on Clayton State’s campus. Two brothers received recognition as Andrews’ Scholars.

DALTON STATE COLONY

The Dalton State Colony is the first Greek organization in Dalton’s history. The pinning of new members signified the start of a journey as brothers look forward to growing in the coming year.

SOUTHERN ARKANSAS COLONY

The Southern Arkansas Colony placed second in Greek Week and won the All-Greek Stroll-Off. One of the senior colony members was recently selected as President of the Student Activities Board. In addition, the colony held a cookout to raise $130 for These Hands Don’t Hurt.

VALDOSTA STATE COLONY

The Georgia Delta Colony became the first colonized interracial fraternity on Valdosta State’s campus. Members donated over 100 hours in community service to events including Relay for Life, Adopt-a-Road and the Wounded Wings Children’s Camp.
The following brothers have been reported as joining the Omega Chapter since 8/1/2012:
