

# Giving Back To Your Fraternity

## How can alumni support undergraduate members attending Alpha Kappa Lambda national events and training?

*Helping undergraduate members attend national events and training is a great way to support each chapter. AKL National Headquarters encourages alumni to donate to the chapter you wish to support. Any donation given to the AKL Education Foundation is considered a tax-deductible gift. Here are some great ways your gift can support the fraternity's undergraduate members.*

### National Events & Training

As needs change for our undergraduate chapters, National Headquarters staff is working on updating current trainings and creating new education for all undergraduate members. Supporting the cost of supplies, materials, or other needs for our national events will help our undergraduate members receive the very best quality training without the need to increase cost.

- Donate to the AKL Education Foundation to sponsor one or more of our national events and training. This will also count as a tax-deductible gift.
  - Clark-Thompson Presidents' Academy and Officers' Institute
    - Annual national event in Carmel, Indiana.
  - Emerging Leaders Initiative
    - Inaugural national event in January 2022
    - Weekend long program taking place alongside the Clark-Thompson Presidents' Academy and Officers' Institute.
    - Created to help members of each chapter learn about their individual leadership skills, strategies for working within teams, and develop the foundation of professional skills needed on campus and in the workforce.
  - National Conclave
    - AKL's largest brotherhood event, this biennial event oversees national fraternity business, education, and tradition.

### Travel

Travel cost is the biggest barrier to undergraduate members attending any national event or training. Travel cost cannot be covered by the AKL Educational Foundation due to travel not meeting requirements for being an educational cost. Giving can support travel cost in a couple different ways.

- Airline Miles & Rewards: Are you a frequent flyer? Your airline miles can be donated to support the travel of one or more undergraduate members attending national events.
- Vehicle Rental: Not all members have access to a reliable vehicle to drive to national events. Supporting a chapter by taking care of the cost of a rental vehicle is a great way to ensure safe travel to and from events.

### Registration

Registration cost is another barrier to chapters being able to send the maximum number of members to a national event. The AKL Educational Foundation is generous and capable of keeping costs as low as possible for our undergraduate members but there is still a registration fee.

Donations to the AKL Education Foundation will be able to sponsor one or more members' registration fees. This will count as a tax-deductible gift.
